## RETURN POLICY

Our products can be returned by the customer within 14 days after receiving your package. The products should be in the original state. All returns must be in their original condition, with tags attached including hygiene seal. We will not accept tampered or worn goods. (Please make sure that swimwear is tried on over your own underwear. In the interests of hygiene, we may refuse returns of items where it's obvious that this hasn't been done.)

WE DO NOT EXCEPT RETURNS ON PROMOTIONAL OR SALE ITEMS.

We will refund you the costs of your items in full minus shipping and return costs. Our warehouse team will check the status of the products and will refund only when it meets the return policy and conditions. Return is on own costs, you can send your order to our warehouse by your self.

Returns are accepted only on purchases made directly at [www.tetresponsiblewear.com](http://www.tetresponsiblewear.com). We will refund via the same payment method used for the original purchase.

Please make sure your shipping address is correct. We are unable to redirect orders once they have been shipped. Orders that are returned to the warehouse due to an invalid address can be reshipped at your expense.

Please note we process orders quickly, so we are unable to accommodate cancellations.
